

Voluntary Declaration of Disability

The Counseling and Disability Services department exists to ensure equal access to education for students with all types of documented disabilities including, but not limited to, learning, medical, physical, psychological, ASD, and other disabilities. We offer a variety of support services to assist students in ensuring access and in meeting their educational goals. Privacy is maintained. If you have a disability, please complete the form below. We will contact you to discuss the type of services we offer.
